Irrigation facilities to Small Farmers

3414. SHRI KANAKSINH MOHANSINH MANGROLA : Will the Minister of WATER RESOURCES be pleased to state :

(a) what are the details of Government's schemes for providing irrigaional facilities to small farmers in the country State-wise; and

(b) what were the targets fixed by Government in this regard for the last three years State-wise?

THE MINISTER OF STATE IN THE MINISTERY OF WATER RESOURCES (SHRI P.K. THUNGON) : (a) and (b) Union Government operates/operated following schemes for providing irrigational facilities to small farmers :

(1) *Million Wells Scheme (MWS)*

This is a sub-scheme of Jawahar-Rojgar Yojana (JRY) being operated by M/o Rural Development with the objective of providing open wells to small and marginal farmers amongst SC/ST and free bonded labour who are below the poverty line free of cost. From the year 1993-94, the coverage is extended to non- SC/ST small and marginal farmers also. The expenditure is to be shared between the centre and the state on 80 : 20 basis. The details of funds allocation and wells constructed during the last three years is given in the enclosed statement I (*see* below).

(2) *Assistance to small and marginal farmers for construction of shallow tubewells/dugwells.*

This scheme was operated by Ministry of Agriculture in 12 states for Special Foodgrain Production Programme (SFPP) of Rice and wheat districts from 1988-89 to 1991-92. The expenditure was shared on 50 : 50 basis between the state and centre. The scheme stands transferred to concerned states with effect from 1.4.92 as per the decision of National Development Council (NDC). The details of funds released during 1991-92 and 1992-93 are given in the enclosed statement - II (*see* below).

(3) *Encouraging irrigation through use of sprinklers/drip systems, hydrams, water turbines, man or animal operated pumps.*

This scheme was operated by the Ministry of water Resources from 1982-83 to 1991-92 in 16 states. Under the scheme subsidy was provided for installation of water and energy saving devices by small and marginal farmers. The expenditure was shared equally between centre and states. The details of funds released during 1991-92 is given in the enclosed statement III (*see* below).

In addition to these schemes, other schemes namely Drought Prone Area Programme (DPAP) and Desert Development Programme (DDP) being operated by Ministry of Rural Development and scheme on use of Plastices in Agriculture, Intensive Cotton Development Programme (ICDP), National Pulses Development Programme and Oil seed Production Programme (OPP) being operated by Ministry of Agriculture also provide irrigation facilities to small farmers, However, funds are not separately earmarked for the purpose.
